

# Nguyễn Minh Thông

*Software engineering  
Intern*

## Education:

Third year student at International University (HCMIU-VNU)

Specialized in Information Technology

IELTS Certification: 7.0

## Experienced with:

Java Python C/C++ C# MySQL

HTML/CSS JavaScript Github

Photoshop Microsoft Office

## IT courses learned :

C/C++ programming

Digital logic design

Discrete mathematic

Object-oriented programming

Software engineering

Algorithms and data structures

Computer network

Internet of things

Theoretical in computing

Computer architecture
